## Final Report Narrative

Please respond to each point below with 1-2 paragraphs. (limit 3 pages)

- I. Have there been any significant changes to organizational leadership, management, or supporting staff during the grant period?
- II. What do you consider to be the greatest strengths of your work? Describe any challenges your organization is currently facing.
- III. What are your organization's two most significant financial challenges and how are you planning to address them? What steps are you taking to ensure long-term sustainability?
- IV. Describe any significant variances of 10% or more between proposed and actual grant expenditures as outlined in the attached financial reporting spreadsheet.
- V. Describe how your project or event provided benefits to Gilliam County in the strategic priority areas of economic development, cultural and historical preservation, community, or essential services.

## Financial Reporting (Attachment A)

Using the attached budget form, report actual grant fund expenditures using the same expense categories set forth in the proposed budget included in your original grant application.

## Optional Attachments

Final reporting may also include materials related to your grant funding such as pictures, brochures, advertisements, etc. (limit 4 pages/items)
